DUMBARTON BRIDGE FRANCHISE GRANTED

At a special meeting of the County Board of Supervisors held Thursday, the final action of granting a franchise to the Dumbarton Bridge Association for the construction of a bridge across San Francisco Bay was taken by the board. The directors of the association were present and were represented by City Attorney Mansfield, who read the franchise which they wished to have granted, to the board. Col. Webb, who was recently granted a franchise to construct a bridge across the bay at Little Coyote Point, was present and picked out a few minor and trivial points in the proposed franchise which he wished to have changed as did also Supervisor Brown from the second township. Attorney Mansfield changed the points in quetsion as they did in no material way affect the franchise.

In the course of the discussion Col. Webb asked why, in his franchise he was to make his preliminary surveys within sixty days, while no such provision was made in the franchise under discussion, it merely stating that the matter should be placed before the War department within six months. To this Howard replied that as the preliminary surveys for the Dumbarton project were already made and that the necessary data and blue prints were filed with the War department that such a provision was not conisdered necessary. Col. Webb made no further objections.

The matter of granting the franchise was put before the board in the form of a motion by Supervisor MacBain, seconded by Supervisor Hickey. When put to a vote all the supervisors cast their votes in the affirmative.

The hearing which was set for Thursday on the laying of a pipe across Selby Lane was also taken up. Hall Ross appeared before the board in the interests of the white residents of the Selby Lane district and protested against the taking of any action by the board which would result in the enlargement of the present Japanese settlement. Conditions in the Japanese colony were vividly portrayed by the able attorney, who characterized the methods of sewerage disposal as vile and unsanitary. Matt Harris, one of the reidents of the Selby Lane tract was present and addressed the board, urging them to take some action for the people who had their homes in the district. Acommunication was read from the Redwood City chamber of commerce proesting against the spreading of the Japanese shacks throughout this beautiful residence tract and the consequent lowering of values, and the eventual abandonment of the district by the white residents, which such a condition would cause.

District Attorney Swart, to whom the matter was referred by the board, gave as his opinion that the only question before the board was whether it would allow a pipe to be laid across the road or not. The board, therefore, granted permission to Joe Shearer, who was the petitioner in the case to lay the pipe. What further action will be taken to prevent the Japs gaining control of such valuable land and ruining the values of the surrounding country has not been announced, but that some further action in the matter will be taken is certain.

"PILL BOTTLE" IS BIG SUCCESS

The little playlet, "The Pill Bottle" staged by the young people of the Congregational church last Wednesday night in the church parlor was well attended and passed off very well. The entire cast took their parts very well and received the hearty applause of the large and appreciative audience. The receipts which amounted to $34 will be used toward paying for the memorial window and for foreign missions, half being

TRAFFIC OFFICERS LOSE POSITIONS

A decision given in the supreme court this week will do away with all the traffic officers in the state who are employed by the counties. The decision which was given in a suit brought by James Logan, traffic officer of the Third township of this county, against the county to collect his salary, was that no legal provisions has or can be made by the counties of the state to employ traffic officers and that the payment of such officers is not legal. This puts all county traffic officers in the state out of their jobs and leaves the roads to the mercy of the speed bug.

According to District Attorney Swart the only action that can be taken in the matter is to have a bill put through the State Legislature to provide for the traffic officers or to patrol the highways with state officers. It may be that the sheriff's office will be reorganized and the traffic situation be handled from that department. At the present time condiions are rather up in the air and many conflicting views on the matter are being voiced by those who would be in a position to understand the matter if any one did.

WOODSIDE CHIRPS

The first of our summer residents to return for the season is A. J. Welch of Portola. Early in the year as it still is, he has come back for the summer season in the valley.

Prentiss Cobb Hale is having the old Earley house remodeled and improved for his occupancy this summer. He plans, this winter, to build a permanent home among the redwoods bordering the creek that traverses his place. The Earley house, on the property acquired by Mr. Hale some years ago, and adjoining the Hale place, has been unoccupied since the Earleys left it although many have tried to lease it. The new verandas and sleeping porches and open air dining room will change its appearance and make of it very comfortable quarters for the summer season. C. T. Bradley has charge of the work.

Mrs. Thomas Stewart was in the city Tuesday making arrangements for her trip to Scotland. She will be gone about three months, visiting her mother and the friends of her girlhood.

Ed. Greeley, who for ten years has been trustee of the Sequoia Union High School, is a candidate for re-election. He has been a faithful trustee, not having missed more than one or two board meetings during the ten years of his incumbency. As we feel that we are entitled to representation on the board and as he has been so faithful in his public service, it is hoped by all of Woodside that he may be re-elected.

What is there about a game of baseball that makes the spectators less courteous toward the players than they are in other games? You never hear at a football or basket ball match or a track meet, the 'ragging' of the players that you do in baseball. I attended the track meet and baseball game at Stanford on Saturday afternoon. Even the last man in a foot race could get a 'hand' or a cheer for it seemed to be recognized that he was doing his best. But at the baseball game, if a player struck out or dropped a fly he was 'ragged' and roasted from the bleachers and given such a lot of gratuitous advise as to where he should go and what he should do as would test the good nature of any athelete.

Even if such things are allowable at a professional game, we should be better sportsmen than to indulge in them at school or college games.

Russell Stearns and his wife, former residents in this neighborhood, visited friends in Woodside on Sunday. Mr. Stearns is in buisness in San Francico, but they are contemplating a removal to Southern California.

A pleasant time was enjoyed by the guests of Miss Olive Keenan at a house party given last week end

A WEDDING OF COUNTY INTEREST

A wedding which attracted county-wide interest because of the prominence and popularity of both of the principals took place at the home of Mrs. Elizabeth Nash, county clerk of San Mateo county, who became the bride of County Surveyor George Kneese, at high noon last Wednesday. The wedding, which was in the presence of only the relatives and a few of the very close friends of the young couple, was conducted by the Rev. E. H. Molony, of St. Peter's Episcopal church.

The bride was attended by Mrs. Harvy Loveland and was given away by the Honorable Judge George H. Buck, a life-long friend of the family. Dr. J. C. McGovern of South San Francisco acted as best man.

The bride, who has acted as county clerk for about four years, is one of the most popular women of the county and is known throughout the state for the efficient and capable manner in which she has managed her office. She is a native of the county, having been born in Moss Beach.

The groom who has just entered his second term in office is a native of South San Francisco and has spent his whole life in the county which he is now serving in a creditable and efficient manner.

Those who were present at the happy wedding were:

Mrs. J. F. Wienke, mother of the bride, and Mr. and Mrs. J. C. Nash, Mr. and Mrs. Frank J. Nash, Mrs. Alden Stevenson, Judge and Mrs. George H. Buck, Dr. and Mrs. J. C. McGovern, Henry W. Kneese, Mr. and Mrs. Alvin S. Hatch, Mrs. Harvey D. Loveland, Mr. and Mrs. Robert Klassen, Mrs. James T. Burns of Napa, Miss Minnie Peetz, Miss Magdalina Peetz, Miss E. L. Falvey, Mrs. Wm. Rapp, Francis T. Rapp, Helen N. Nash, Alpheus McGovern, Claire McGovern, Virginia McGovern and Harvey Hatch.

The young couple left for a honeymoon in the southren part of the state, being followed out of town by a procession of friends wishing them happiness. On their return they will make their home on Hopkins street, where the groom has erected a beautiful home for his bride.

JOHN F. LONSBURY DEAD

John F. Lonsbury who moved here from Seattle a few months ago with his wife and purchased a home on Oliver street, just off of Roosevelt avenue, passed away quite suddenly Sunday evening. Mr. Lonsbury was a native of Michigan, aged 73 years He was a member of the Modern Woodmen and of the Congregational church.

SENIORS SHOW TO FULL HOUSE

The vaudeville show given by the seniors of Sequcia Thursday attracted a crowd that put standing room in the Sequoia theatre at a premium. The program was good and those who took part deserve much credit for the way in which they took their varied parts

The program consisted of a number of short acts and was preceeded by a moving picture comedy. All those who took part were members of the senior class with the exception of Mrs. James Bradshaw who gave two costume dances which were highly appreciated by the audience.

The proceeds from the entertainment are to be used for the school annual which is now in course of preparation.

OLD AND BRIGHT CLOTHES DAYS AT SEQUOIA

The girls of Sequoia broke forth Monday in their annual "Bright Clothes Day," and the costumes displayed on the streets of Redwood City would make the color-loving Indian turn green with envy. The boys held their annual, "Old Clothes Day, on the same occasion and while they did not, in most cases, rival their sisters in variety of color, they made up in diversity all that they lacked in hue Rip Van Winkle might well have felt himself in style in Redwood City Monday, after his twenty year snooze in the mountains.

SINGER TO LEAVE SUNDAY.

The many friends and acquaintances of E. J. Halcrow who has been directing the song services at the local Methodist church during the present revival campaign will be surprised to learn of his contemplated departure next Monday for Newark where he will join the Rev. Arthur Dowe, an evangelist with whom "E. J." will travel as song leader and soloist. "E. J." will say good bye to the friends he has made in this locality at the service Sunday evening, but the revival meeting under Rev. Peck will still continue it's successful work. Many have been helped, and the local congregation will receive many additions on Easter when all new members will be welcomed to the church.

The engine now used at Menlo Park, as a lrager one is to be bought. It was planned to amend the law in order to extend the fire district to include all of Runnymede. After the fire discussion a reel of films was shown by the school trustees in order that the people might decline as to whether or not they wished to purchase the moving picture machine now on trial, and by vote the majority were in favor of the purchase.

ELECTION OF SCHOOL TRUSTEES FRIDAY

There will be a few contests for school trusteeships at the election next Friday. In the north end of the county there will be a few opposing candidates. In the Jefferson High School districts there will be two parties running for each place. Clyde Conrade will have an opponent in South San Francisco. There will be no trouble for the incumbents between South City and San Carlos. At the latter place Fred T. Odgers, incumbent will try conclusions with Mrs. Effie Mahaney, a former trustee. Sequoia High will have two candidates, Walter Kellogg will oppose Edward H. Greeley, of Woodside. At Pescadero, Asa T. Weeks will have Douglas Goulson as an opponent. The other Coastside districts will have quite elections.

SAN CARLOS ITEMS

From the present outlook it would appear that the extension of the San Carlos lighting district and the establishment of both fire and sanitary districts will go through with but little, if any opposition. As conditions have very materially changed since the sanitary district was defeated more than two to one, and badly snowed under, when it was put to a vote of the people about six months ago. And all because of the appearance of that old bogey, the nigger in the wood pile. The people of San Carlos have always been ready to support and back up any proposition which appears reasonable and just and for the benefit of the community.

At a harmonious meeting last Tuesday night, the people enmasse instructed the committee on sanitary lighting and fire districts to arrange with the district attorney and county surveyor for the location of boundaries and the preparation of papers in the presentation of petitions to the board of supervisors for the calling of an election for the people to vote upon the proposition at as early a date as possible. Nominations were then called for, for candidates who are to be placed upon the ballot as trustees of the sanitary district and an assessor. From the number of names presented by their friends, there are many aspirants for the places as trustees while there was but one aspirant for the salaried (?) job, as assessor, Fred T. Oders, the popular clerk of the San Carlos school board. Those nominated for trustees were: Geo. H. Sesnon, W. I. Scott, Mrs. Mary Quinn, T. D. Ruggles, J. B. Bryan, B. A. Lindberg, J. M. Edling, G. F. Walker, R D. Schott, R. L. Simpson, Dr. J. G. Null, Joe Schneider, R. C. Johnson, A. Johnson, L. A. Conklin and C. S. Tate.

Out of this bunch the people are to select their favorite five. And hence there should be no difficulty in selecting four good men and one good woman who will handle our sanitary matters honestly, economically, efficiently and well. The vote will be taken by straw ballot at the auditorium next Tuesday night.

Mrs. Effie Mahany, a former school trustee, has announced herself as a candidate for school trustee against Fred T. Odgers, the incumbent, who is also a candidate to succeed himself. Mr. Odgers, as clerk of the board for the past four years, has proven himself to be one of the most efficient and popular members of the board in the history of San Carlos school district. And this record alone, assures his re-election to his present position.

The social committee in charge of the benefit dance and whist party to be given under the auspices of the San Carlos Volunteer Fire department at the auditorium on Saturday evening, April 7, report fine progress in the matter of ticket sales and general arrangements. They have engaged a fine orchestra, hence good music is assured and every body should come out and have a good time. Ladies free, gentlemen only fifty cents.

Mr. J. C. Wilson, a retired contractor from Nebraska, who has been seeing California and other parts of the west for several weeks, left Monday on his return trip thru Nevada, Utah and Colorado, after a week's visit at the home of his sister, Mrs. Chas. H. Dieckmann on Laurel street. Mrs. Dieckmann re-

THOMAS VERNALL RECEIVES SURPRISE

Last Saturday evening at his home on Webster street, Tom Vernall was the "victim" of a deep plot against him, laid by friend wife, aided by Bill Keller and Mrs. Keller.

Tom was invited out to Keller's home to a stag party earlier in the week and on Saturday evening he rushed home and dressed hurriedly to accompany Keller to his home. Arriving there Mrs. Keller sent them back to Tom's house to bring some water glasses which Mrs. Vernall was to lend her for the occasion. On the way they picked up Harold Hexner and Perry Downs, who rushed into the house to Tom's surprise and there he found that he had been preceded by two other friends which made up the party of six which had met to celebrate his thirtieth anniversary. Those who partook of the good things which Mrs Vernall and her sisters had prepared were Harold Hexnor, Perry Downs, Thomas Davies, Bill Keller, E. J. Halcrow and Thomas Vernall.

Ted Twisselman, local mail carrier, is confined to his room this week, suffering from a severe attack of the flu.

the BEST OIL made is refined from WESTERN CRUDE

The motorist who pays fancy prices for oil, often pays for something he does not get.

Zerolene costs *less* because it is produced in California from selected California naphthenic crude, which, of all the crudes so far discovered, yields the most efficient lubricating oils.

Zerolene lubricates better. It forms from 25% to 50% less carbon. It has greater adhesiveness and penetration than oils made from any other crude.

Entered as second-class matter, at the Postoffice at Redwood City California, under the Act of Congress of March, 1879.

SATURDAY, MARCH 24, 1923.

As we remarked before, it is pretty nearly time for the members of our board of town trustees to make up their minds concerning the fifth member.

WHY NOT IN REDWOOD CITY

Mr. Elridge R. Johnson, president of the Victor Phonograph Company is in California seeking a location for a western factory for Victor machines and records. He says that about 1000 men will be employed permanently.

We can recommend Redwood City for Mr. Johnson's kindly consideration. We have plenty of available land. We are close to the Big City of the coast. We have a climate where it is a pleasure to work.

We hope that our chamber of commerce will get into action and try to convince the Victor people that this is the spot. We should have a lead in the matter anyway as Mr. Leon Douglas, one of the leading men of the Victor Company, resides in Menlo and he might lend his influence to this section.

THE SCHOOL ELECTION

The annual school election will be held next Friday.

In the elementary school, Mr. C. M. Doxsee wil have things all to himself, no opponent having appeared. In the high school district, Edward H. Greeley of Woodside will be opposed by Walter Kellogg, local manager for the Pacific Gas and Electric Company.

Mr. Greeley has served on the board for a number of years and has been a faithful member. He has tried to see that the boys and girls of the district have had the best possible school equipment and teaching force.

Mr. Kellogg has resided in Redwood City for a number of years. He makes his home in the Highland. and has children in both the high and elementary schools. He is popular with all classes and should make a good run for the position.

The only complication connected with Mr. Kellogg' candidacy is the feeling in some sections that the rura parts of the Sequoia High School district should be represented.

BLOSSOM FESTIVAL

This is Blossom Festival day in Santa Clara valley. Down at Saratoga the regular spring festival will be staged this afternoon. Blossom Day has come to be the one big day of the year at Saratoga. Fourth of July Christmas and New Year fade into insignificance alongside of it.

Way back in the nineties Dr. Sunshine William. inaugurated the affair. Since then the coming of the blossoms has been the occasion of general rejoicing.

Those who journey down to the little foothill town will travel through a land of enchantment. The roads wind through orchards that are snow-white and pink tinted with the beautiful owers of the prune, the apricot and the cherry. Some of the trees are covered with their bloosoms while others are just breaking out with a suggestion of green.

At Saratoga a good program will be staged, but the thing that will be remembered by every visitor will be the ride through the trees.

THE REPUBLICAN CONVENTION

The people of San Francisco are beginning to busy themselves toward the proposition of geting the 1924 National Republican Convention. We hope they will be successful. A national convention is a big thing for any section of the country. San Francisco has everyhing necessary for the convention, auditorium hotels, hospitality, scenery, climate and everything else that is not banned by the 18th Amendment.

It begins to look as though President Harding would be the man chosen by the convention. We believe that the delegates could go further and fare worse.

THE RACE QUESTION

A matter was brought up in the recent meeting of the County Board of Supervisors that should interest everyone who has at heart the welfare of our town and community. Several of the influential residents of the Selby Lane tract appeared before the board and protested against the laying of a pipe to irrigate a large tract of land which will be used by Japanese.

The matter of the Japanese settlement of the residential sections of the county is one which should be taken care of by some authority. The Selby Lane tract offers one of the most marked contrasts possible in the matter of appearance, on one side stately mansions surrounded by beautiful gardens and on the other unsanitary, unsightly, dirty shacks. This condition has come to such a pass that the Americans of the district are threatening, according to reports to move out, and the loss to the community in such a case would be great. This tract has the possibilities of being one of the finest residence districts in the county and we feel that something should be done to prevent the spread of this Japanese colony and eventually get it out.

NO MORE TRAFFIC COPS

A recent decision of the Supreme Court has put all the county traffic officers in the State out of a job. This is hard luck for the traffic cops, but what interests us is who is going to protect the public from the speed maniac until the legislature can do something to supply the needs of the highway for protection. Wrecks due to carelessness and the speed-bugs have been common enough in the past, but what will happen when all restraining inuence has been taken from our roads, we have yet to see. We hope that the state will see that the roads are policed until the necessary steps are taken to return the traffic cop to his former position.

TWO KILLED IN SUNDAY WRECKS

Two fatal accidents occurred in the county last Sunday, one of them resulting in the death of Mrs. Alice Romero of San Francisco who was riding in a car that plunged over a 150-foot cliff on the Half Moon Bay-Colma road. Five other persons who were in the car were injured. The other accident occured on the Alpine road near La Honda when a car driven by Rex Robinson, a tire dealer of San Francisco, went over a high bank and killed the driver. James Frey of San Francisco who was with Robison was saved by being thrown form the car as it turned over.

REGULAR MEETING OF SUPERVISORS

The supervisors convened in regular session last Monday and managed to transact considerable important business in the course of the day. The most important matter brought before the county body was the filing of a notice of application for leave to construct and operate a toll bridge, filed by the Dumbarton Bridge Association. Ernest E. Howard, one of the engineers who are to construct the automobile bridge across the bay at Dumbarton was present and after being sworn by the clerk of the board he answered all questions put to him by Attorney Mansfield, relative to the soundings which had been made, the surveys, costs of the bridge and the tolls which would be necessary to reimburse the builders in the time allowed by the franchise asked. The hearing on the matter was set by the board for last Thursday.

J. E. Shearer, a resident of the Selby Lane tract appeared before the board and asked permission to lay an eight inch pipe across Selby Lane for carrying irrigation water This permission was granted by the board as there appeared no objection to the project. Later in the session, however, Hall Ross of the firm of Ross & Ross appeared before the board and asked that the matter have a hearing as the people of the district were not in favor of it. The former action of the board was, therefore, rescinded and the hearing set for the special meeting on Thursday.

Upon the protest of Mrs. Jane Lagard, who lives next to the Alexander Sanitorium at Belmont, concerning the manner in which sew..age was disposed of at that institution, it was ordered that the county health officer be instructed to examine the matter of sewerage disposal.

A petition by the federal government to have the assessment on some land purchased by the government prior to the time that the assessment was filed, set aside, was referred to the district attorney.

A leave of absence was granted to County Clerk Elizabeth M. Nash and to County Surveyor George Kneese, both county officials being given sixty days leave to take place at the same time.

At the County Hospital

Bids on the outfall sewer were not opened as the right of way for the sewer had not yet been acquired, they will, however, be opened on Thursday.

A bid was received from Peterson and Hayward on the Harrison street sewer from the hospital, but was rejected as being too high and as there were no other bids the clerk was instructed to re-advertise the bids for that work.

Purchasing Agent Werder advised that four rooms in the county jail were in need of floor covering and was authorized to purchase the linoleum necessary.

At the request of Supervisor Francis the board granted Justice of the Peace Borden of the Fourth township a telephone for his office.

A communication was read from the San Bruno Civic League protesting against the construction of the Easts'de Highway if it did not run through the corporate limits of San Bruno, if it did run through San Bruno, the communication continued, the Civic League would favor it. The clerk was instructed to reply to the communication, and inform the San Bruno Civic League that no definite highway had been laid out and that the course of the road would have to be determined later.

Three applications for state aid were accepted from the County Social Service Commission as were also the bids from the Pacific Gas and Electric Company for the lighting districts of Belmont and Lometa Park.

Plans and specifications were accepted for replacing a broken down wooden bridge near the Lesley Salt works by a concrete bridge.

As the gate in the highway at the entrance to Burlingame had not been removed as ordered by the board, the district attorney was instructed to draw up an order authorizing the sheriff to instruct the county engineer to remove the gate.

Big Basketball Game Last Night

Sequoia and the Berkeley High 130 basketball teams battled last night for the championship of Northern California. Sequoia has a wonder team, but they were up against a fine aggregation form the College City. We hope that the local lads were the winners. The game which was played in the local gym was staged too late for the Times-Gazette to get the result

OLD TIME RESIDENT CALLED TO REST

Mrs Eleanore L. Tichenor, an old time resident of the Coastside of San Mateo county, and mother of Cyrus C. Tichenor who is well known here, passed away at her home in San Francisco last Friday. Mrs. Tichenor was a native of Ireland, aged 80 years and 10 months. She was a fine old lady and a devoted mother to her boys and girls.

The funeral was held Monday from the Paulist Fathers' church, San Francisco and a solemn high mass was celebrated for the repose of her soul. The interment beside the remains of her husband, the late Stephen J. Tichenor at Holy Cross cemetery, Colma, was private.

Lewis Wins Court Decision

Edgar Lewis, a garageman of South San Francsco, who brought suit against William A. Wescott, who runs a line of trucks from San Jose to San Francisco, was awarded a verdict by a jury in the Superior Court here last Monday. Lewis sued for $20,491 for the death of his little daughter, Charmain Lewis, aged three, who was killed by one of Wescott's trucks about four months ago.

The jury at first returned a verdict of "not guilty" but recommended that the defendant reimburse the plaintiff for the amount he had paid out for hospital and funeral expenses. After being returned to the jury room by the court, the verdict not being in order, they returned with a verdict for the plaintiff.

Lewis was represented by Attorney Walter McGovern of San Francisco, the defendant being represented by Attorney Hoge of San Francisco and Franklin Swart of Redwood City.

Mrs. Kempff Granted Divorce

Mrs Thuryle Kempff was granted a divorce on the ground of failure to provide last Tuesday from Frederick Rodgers Kempff who has been residing in Galveston, Texas, and is a son of the late Admiral Kempff. His wife has been stopping with her father at Runnymede, who is supporting her. There is no property and no children. Young Kempff cut quite a swarth in the social world on the peninsula some years ago. He married recently and built a fine home for his bride, but soon ran short of funds, and left for his ranch in Texas and nothing has been heard from him since. His wife began suit last December. She was represented by Eugene Conlin, a prominent San Francisco attorney.

MASONS MEET AT SAN MATEO

Redwood City Lodge 168, F. & A. M. and San Mateo Lodge 226, F. & A. M. held a joint open meeting Thursday evening in the San Mateo Masonic Temple. Public Education was the matter under discussion and the audience heard fine talks on the subject which were given by Dr. Geo. Freeland of the San Jose State Teachers College and Sam H. Cohn, assistant state superintendent of schools of Sacramento. The music was under the direction of Otis M. Carrington.

About a score of the young folks of the Congregational church took advantage of St. Patrick's Day for the occasion of a party in the social room of the church. The decorations were in harmony with the Irish color scheme and even the ice cream had a greenish tinge to it. Games were enjoyed and charadis furnished the entertainment of the evening.

In LOS ANGELES it's RED CROWN GASOLINE by 250%

On a busy Los Angeles street corner a checker stood and asked 150 passing motorists "Which gasoline do you use?" 63 answered "Red Crown," as against 18 for the next highest brand—a lead of 250%.

Because "Red Crown" is an all-refinery gasoline every drop of which vaporizes rapidly and uniformly in the carburetor, and is completely consumed in the cylinders, giving quick starting, smooth acceleration and maximum mileage, "Red Crown" is *the* popular motor fuel everywhere.

Danger— you need ICE!

Have you ever wondered what makes food spoil? It is caused by bacteria—microscopic organisms which multiply by the millions in temperatures of 50 degrees or over.

When the thermometer reaches that point, your perishable foods begin to deteriorate. Any perishable food kept in a warmer temperature is actually spoiling—a fact which every text book on hygiene teaches.

There is just one way to prevent this: Keep your perishable foods in a refrigerator; and keep the refrigerator filled with ice—every day in the year. The small cost of ice will be repaid many times over by the food you will save.

NEWS OF MENLO PARK

Mrs. Margaret Delger, wife of E. F. Delger, passed away at her home, 3740 Twenty-fifth street, San Francisco, on Monday last following a short illness. The deceased spent her childhood in Menlo Park, where she was known as Margaret Prior, daughter of the late J. K. Prior. She married Mr. Delger many years ago. The family maintained a beautiful home at Atherton. Mr. Delgar is owner of the Delger building in San Francisco. Lester Prior, the well-known politician and capitalist of Redwood City, was a nephew of the deceased. Mrs. Delger had a large number of friends on the peninsula who are pained to learn of her death. Besides her husband, she is survived by a son, Fred Delger, a daughter, Mrs. Joseph Barnett, three brothers, James K. Prior, Toney Prior and Leland Prior and two sisters, Mrs. William Mitzner and Mrs T. P. Andrews.

The election for a commissioner of the Menlo Park fire department takes place on April 2. Charles A. Merrill will be a candidate for re-election. He has given the department much attention, always working for its success. The taxpayers and residents of Menlo Park are fortunate in having such an able official at the head of the department. His election should be unanimous. It no doubt will be.

The Racing Pigeon members of the Peninsula Pigeon Club have arranged their old bird races from the following stations:

Date	Distance	Station
April 8	100	Roseville, Cal.
April 15	150	Colfax, Cal.
April 22	200	Truckee, Cal.
April 29	250	Reno, Nevada.

At the special meeting of the squab breeders held Sunday, March 18th the use of the National Pigeon Association seamless band was voted on and adopted.

A committee was appointed to attend the meeting of the Western Squab Breeders Association to be held at Hayward, Monday evening, March 19 and report back to the club at the next regular meeting. Information was given that another large established squab loft was moving from Oakland to Menlo Park having already bought their location and will start building in the next thirty days. Seven new members put in their applications to join the club as soon as all pigeon fanciers in San Mateo and Santa Clara have been asked to become members the charter will be closed and an initiation fee will be voted on and from the remarks passed at the last meeting the amount will be a large one, making it worth one's while to join at the next regular meeting, Sunday March 25 to be held at the lofts of Eldridge Douglass, Valparasio avenue and the Highway.

Miss Helen Bowie, daughter of Dr. and Mrs. Hamilton C. Bowie of San Francisco, formerly of this city, and George Wolf will be married in Los Angeles, April 3rd and after their honey-moon will reside in San Francisco.

Miss Bowie is a grand-daughter of the late Mrs. Henry Barrioliet. She was educated at Sacred Heart Convent, Menlo Park, and is a charming young woman.

Senator S. M. Shortridge returned home from Washington Thursday evening after an absence of several months. On his arrival at the ferry building that morning he was met by a number of personal friends and many of the federal officials who greeted him and welcomed him to his chosen city. The senator was delighted to get back to the sunshine and warmth of Menlo where he intends to spend a few days' vacation before again taking up the burden of law during the adjournment of congress. During the last session the senator assisted in the passage of numerous useful laws that will benefit California and the whole country. Mr. Shortridge looks forward to a long rest from his legislative duties. The senate will not meet until next December.

Father Hammond, former assistant pastor here, is critically ill in Berkeley, his home. Father Hammond was ordained at St. Patrick's Seminary some years ago, and is a young man of ability and is destined to hold a prominent position in the diocese. His many friends here hope and pray that he will recover.

H. J. Douglass, a prominent federal official with offices in the Flood building, San Francisco, and who maintains a beautiful home in Menlo Oaks, is spending a few days in Los Angeles on official business. His neighbor, John E. Newman, claims agent for the Southern Pacific Railroad Company, is also in the southern city in the interest of his company.

During the week the American Express Company brought over 150,000 strawberry plants from Watsonville, Castella and Oregon to growers here, who are all Japanese with the single exception of Mr. Rosenfield residing on Santa Cruz avenue. The acreage in berries here this year is larger than ever before in the history of this locality.

Dr. and Mrs. George Ebright have taken the John Sutton house at Menlo Park for the summer and will occupy it during the Sutton's absence in Europe. The George Ross house has been leased by Mr. and Mrs. Warren Spieker. Mr. and Mrs. Frank King have taken the Richard Sprague place, and Mr. and Mrs. William Stevenson have taken the John A. Merrill place. "Merrillwold." Mr. and Mrs. Stevenson and their children, Miss Dorothy Stevenson and George and Arthur Stevenson, will come down early in the summer. Mrs. Merrill and Mr. and Mrs. Henry Sears Bates will pass the summer months in Shasta county.

First Blossoms of the SPRING SEASON

—Such a delightful season is this that arrives with Easter-tide. When one enjoys sniffing at fresh, budding things. When one directs one's attention to a new wardrobe. When the home comes in for its share of general freshening-up. Thinking it over, we decide that the old world is a pretty good place, and decide to make it better. The Easter services take on added meaning. Yes, Easter fully deserves the welcome we give it.
